

Phonics / English

In Phonics we will be looking at the level 3 sounds and learning a few sounds each week. We will be recapping and building on the level 2 sounds that children have previously learnt. Please continue to practise these at home.

In English the children are focusing on pencil grip and writing small words and labels. They will be looking at the sounds that they learn in phonics and will practise writing them correctly.

The children will be reading the story 'Supertato' and 'Superworm', to support their learning about Superheroes, both fictional and real life heroes in our community.

We will be learning about the different emergency services and what their jobs involve.

Willow Term 3

Year Reception

Curriculum Newsletter Topic: Superheroes

General Information

Staff: Mrs Wilson, Mrs Sullivan and Mrs Steadman.

PE Kit : Your child will need their PE kit every week and we will be doing PE on Monday and Wednesday .

Please ensure that your child brings their reading book to school every day.

Maths

In maths this term we will be learning to recognise and write numbers to 10. The children will have an understanding of what each number means and will practise counting forwards to 10. We will also look at mathematical language and look at things that are the same and different.

Other areas of Development

This term the children will be creating a superhero and writing about it. They will be learning about the different emergency services and how people help us everyday.

We will be finding out about what makes us different to each other and how we can celebrate what makes us special.

We will be learning about healthy eating and how to keep our teeth healthy and all about cleaning our teeth daily.

Home Learning

It is important that the children read and practise the sounds every day. We would also love to hear about the amazing things that your child has done, so please add their amazing adventures to a note and pop it in their book bag.
