

Science

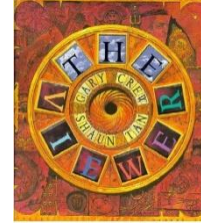

In Science this term, Oak Class will be learning what happens to humans as they go into old age. The children will learn what changes happen to the human body during this phase of life.

Geography

In geography, we will be learning about North America. The children will use atlases and digital maps to identify the key physical features of North America and describe the climates and biomes of different regions across North America.

Art

In art we will be using the book called 'The Viewer' by Shaun Tan as inspiration to create a viewer. We will also be using clay to create a autocritique 3D plaque.

Computing

This term the children will be learning about databases in real life as well as how to use databases, search engines and visual representations.

History

In history, children will learn about the Atlantic slave trade Experiences of slaves during this period (plantations in America) and the abolition of slave trade / slavery

English

Our main class texts this term consists of one book and a film clip.

The book is called 'The Viewer' by Shaun Tan and tells a strange and mysterious story across time. Children will use the book as inspiration to write in the style of a newspaper report and generate a free verse poem. We will also use a short animation to inspire a flashback style narrative.

Oak Class Term 4 - North America

What was the Atlantic slave trade?

Mathematics

This term the children will be revisiting work on addition and subtraction, multiplication and division. Children will build on the work in Term 3 on 2D shapes to learn about 3D shapes. Co-ordinates and quadrants will also be investigated. As the SATS draw closer, Year 6 will have the opportunity to look at SATS style questions looking at how best to answer them for maximum marks.

Physical Education (PE)

In PE this term, we will continue to rehearse the dance routine. We will also be learning football skills. In addition, there will be netball tournaments and hockey tournaments at HCC.

PHSE

In PHSE this term, we will be celebrating difference and what this means in real life. We will learn about bullying and strategies to deal with conflict.

Religious Education (RE)

Our whole school value this term is respectfulness. In RE children will be learning what Christians believe Jesus did to save people. The children will write a diary form the point of view of someone at the Last Supper.

Music

This term we will learn about themes and variations of what makes an orchestra. Children will learn how to perform a piece of music.

French (MfL)

Oak Class will be following the theme of shopping in France. We will be learning to ask for foods in French and know about how to ask the price of items.
