

### English, Reading and Phonics.

This term we will be consolidating our knowledge of level 3 sounds and using that knowledge to decode and blend sounds for reading. We will be reading longer words and also using our sound knowledge to help us with our writing.

This term we are looking at the stories;- Errol's Garden and I will not ever never eat a tomato. The children will be retelling the stories and learning to write their own short stories.

We will also be doing some instruction writing and writing labels and lists.

### Home Learning

We do ask that children read every day at home and practice their phonic sounds. Please practice counting objects up to 20 and ensuring that the children don't miss out any numbers when they count. When your child does something amazing please let us know by popping a note in their book bag as it is lovely to celebrate at school too.

## Willow Class Term 5

Reception Year  
Curriculum Newsletter  
Topic: How does your garden grow.

### Information.

We will be doing PE on Monday's and Wednesday's. Please make sure that your child has their PE kit in school everyday and ensure that it is labelled.

As the term goes on and the weather gets warmer children will need a water bottle and a sun hat to protect them in the warmer weather.

### Maths

This term the children are looking at 3D shape and finding out the names of the shapes along with being able to talk about the 2D shapes that they can see on them.

The children will then move on to counting up to 20 and knowing those numbers.

### Topic

This term the children will be finding out all about plants and how things grow. They will be learning the parts of a plant and the different jobs that those parts have.

They will be growing plants from seeds and planting plants. The children will learn how to keep plants alive and care for them.

In addition we will be celebrating the 80<sup>th</sup> anniversary of VE day and we also have our forest day to look forward to.

In RE the children will be learning about special places.
