

## Science

In Science this term, Fox Class will be learning about light, how we see, shadows, reflection and refraction. The children will learn how light travels and how this enables us to see things. They will be working scientifically and collaboratively in investigations.

## History

We will be learning about the home front during World War 2 in our topic lessons this term. The children will be exploring the effect the war had on life in Britain. The children will be learning about the evacuation of children, rationing and the role of women during the war.

## DT

In DT, Fox Class will be learning how to make shelters. We will be using our knowledge of Anderson Shelters to create scale models. The children will be using various materials and joining techniques to create their own secure models.

## Computing

This term we will be learning about video production. The children will be learning about different filming techniques and then producing a storyboard to plan their own videos. Once planned, the children will be creating their own videos.

## English

Our main class texts this term are Bandoola and When the Sky Falls. This fabulous texts will give us lots of opportunities to respond to the text, think about characters and write! The children will be writing non-chronological reports, describing events and diary entries. As always, we will have grammar focuses each week including the passive and active voice, past and present tense verbs and using technical vocabulary.

## Fox Class Term 3 – Courage

## Mathematics

In Maths the Year 5 children will be learning about multiplication and division. Later on in the term we will be using this knowledge to help us multiply and divide fractions. Year 6 start the term learning about ratio. Then we will move on to a new unit of work – Algebra. Please continue to practice times tables and the corresponding division facts with your children at home.

## Physical Education (PE)

Gymnastics and Football are the focus this term. The children will be learning skills needed to play as a team in football. PE days will be Wednesday and Thursday. Please ensure PE kits are here all week.

## PHSE

In PHSE this term, we will be thinking carefully about our whole school value of courage. We will be looking to our futures and think about strategies to show courage. We will also be looking at our Jigsaw unit – Celebrating Differences.

## Religious Education (RE)

Our whole school value this term is Courage. Within RE lessons, the children will be discussing why Hindu's try to be good. They will be reminding themselves of the beliefs of Hindus and looking deeper into how they apply their beliefs in their everyday lives.

## Music

The children will be developing greater accuracy in pitch and control; identifying pitches within an octave when singing and using knowledge of pitch to develop confidence when singing in parts.

## French (MfL)

Meet my French Family - Introduces family and relations vocabulary, the possessive adjective, my, and how to express likes and dislikes.
