

English

This term, we will be beginning our Drawing Club journey.

Through Drawing Club, we explore a variety of books and media and immerse ourselves in a world of creativity and imagination. We shall be reading the following books: Owl Babies, The Polar Express, The Christmas Pine, and The Gingerbread Man. We will also be watching a video of Funny Bones.

We will use these wonderful stories and videos to inspire our learning — drawing pictures of different characters and setting as well as thinking up new adventures and questions to answer. We will continue to develop our writing by sounding out CVC words, writing captions and simple sentences and using our growing phonics knowledge to match known letters to initial sounds.

Communication and Language

- Retelling stories
- Asking questions, sharing ideas and listening to each other
- Using talk to sequence stories – beginning, middle and ending
- Using talk and language to share what they think
