

PSHE/Personal, Social and Emotional Development

This term we will be continuing to develop our speaking, listening and questioning skills.

We will be looking at our similarities and differences and talking about how brilliant it is that we're all unique!

We will be thinking about our dreams and aspirations and talking about what we want to be when we grow up!

We will be continuing to think about bullying and how we can be kind to one another and remind others to do the same.

Communication and Language

This term we will be working on following instructions of more than one part. We will also be sharing our ideas and interests through show and tell and through our own 'Helicopter Stories'.

Computing-

We will be exploring directions in computing and programming robots to follow a sequence of instructions.

Physical Development

This term we will be exploring the different movements our bodies can make.

We are working on our skills of sending and receiving balls and we will be using these skills in different team games.

We will also be continuing to work on our fine motor skills, using tools such as scissors and paintbrushes effectively and developing our letter formation.

We will be exploring yoga in the classroom and focusing on moving with control and co-ordination.

English/Literacy

In literacy we will start with the focus text of Zog and the Flying Doctors. We will be exploring list writing and coming up with imaginative medicines!

We will also be exploring non-fiction writing relating to the celebration of Lunar New Year and writing recipes for our Chinese inspired cooking!

We will be telling and writing our own adventure stories based on the text "The Magic Paintbrush!"

When I Grow Up!

Robins' Class R/Y1

Mathematics

This term we will be revisiting and extending our learning about 2D shapes and comparing the features of different shapes. We will also be learning about 3D shapes.

Our Reception children will be looking at numbers to 10 through Numberblocks and learning about the different ways we can make these numbers through addition and subtraction.

Our Year 1 children will be revising and deepening their understanding of addition and subtraction within 20 and exploring numbers up to 50.

We will also be exploring measures, looking at length, height, mass and volume.

RE:

In RE this term we will be learning about the Muslim faith.

We will be learning about the Prophet Mohammad and why he is important to Muslims.

Understanding the World

Science

We will be taking part in the Big School Birdwatch and talking about the different birds we have in our country.

We will be exploring the ways in which we can help our birds to survive in the winter.

We will be exploring the season of winter and talking about different materials we use to keep warm.

History/Geography

We will be learning about different people's roles in society and how they help us. Learning about doctors, firefighters, police and other jobs.

We will also be learning about Lunar New Year, we will be exploring China, where the Lunar New Year is very important. We will be learning about the similarities and differences between the Chinese culture and our own.

Expressive Arts and Design

Art & Design

We will be creating artwork to celebrate the Lunar New Year. We will be helping each other in our themed role-play areas, acting in role as doctors, policemen and firefighters!

Music

We will be learning songs and rhymes about the celebration of Lunar New Year. We will be having a visitor into school to teach us how to dragon dance!

Design Technology

We will be exploring healthy foods and cooking a healthy Chinese style stir-fry to celebrate Lunar New Year. We will be making our own dragon puppets.
