

English

In English, we will be learning to write and perform poems about the 'Big Five' African animals, following a given structure.

We will be watching the animation 'Zahra' and writing our own wishing tales by innovating the story.

Finally, we will read 'Lila and the Secret of the Rain' and write our alternative stories.

Art/DT

In Art, we are exploring the artist, Yinka Shonibare, and his pattern artwork. We will be experimenting with different mediums to create patterns in his style. We will then create our own patterns which we will be printing using paint.

Music

Our key learning this term is 'call and response' and we will be exploring this through the theme: animals. We will use instruments to represent animals, copying rhythms and creating call and response rhythms.

PSHE

In PSHE this term our learning is called 'Relationships'. We will be thinking about our own families and how every family is different.

Geography

We will be exploring Kenya. We will be finding this on a map and refreshing our minds about the continents of the world, particularly Africa. We will compare Kenya to England and look at the differences in the way that we live.

Kenya

Term 5

This term's value:

Friendship

Computing

This term we will be learning to use a keyboard. We will focus on typing different things and also learn about the function of different keys such as space bar and enter.

Maths

To begin our learning this term we will be working on multiplication and division, including doubling and halving.

We will then move on to length and height, using units of measure such as metres and centimetres. We will then link this to our previous learning and begin to add, subtract, multiply and divide lengths and heights.

Throughout the term we will continue develop out number fluency.

PE

Our PE will continue to be on a Thursday and Friday. This term we will be looking at a skill called Send and Return. This will focus on skills used in games such as football, netball, cricket and many more!

Science

This term we will focus on Animals Including Humans. We will be naming different animals and matching them with their young. We will also be looking at how animals change from young to old, as well as begin to label parts of our bodies.
