With God's love we grow and learn together

Through our Christian ethos, excellent teaching and shared learning, we aim to encourage everyone to discover who they are in relation to God, the world and others. 1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform

2. The Federation's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our Federation will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable.
- Allow pupils to request changes to swimwear for religious reasons.
- Allow pupils to wear headscarves and other religious or cultural symbols.
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the Head of School/Executive Headteacher, who can answer questions about the policy and respond to any requests.

3. Limiting the cost of school uniform

Our Federation has a duty to make sure that each schools' uniform is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniforms:

- Are available at a reasonable cost

- Provide the best value for money for parents/carers

We will do this by:

- Limiting items with distinctive characteristics eg. ties and jumpers/cardigans.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.
- Avoiding different uniform requirements for different years/classes/groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating labels.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

4. Expectations for school uniform

4.1 Our school's uniform

For details of each school's uniform, please see the appendices which will include:

- Which branded items are required
- Which branded items are optional
- Expectations for PE and swimming kit
- Expectations for jewellery and hairstyles
- Expectations for shoes, bags and coats
- Which items are only required in specific circumstances or at certain times of the year

4.2 Where to purchase school uniform

Parents and carers can obtain branded items of uniform from the following suppliers:

5. Expectations for our school community

5.1 Pupils

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days or attending after school clubs):

- During school hours

- At out-of-school events or on trips that are organised by the school
- Where they are representing the school eg. church services, local events

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name
- In good condition

Parents are expected to contact the Head of School or Executive Headteacher if they want to request an amendment to the uniform policy in relation to their child's protected characteristics or the cost of uniform.

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be resolved locally and dealt with in accordance with our school's complaints policy. Our schools will work closely with parents to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the Head of School/Executive Headteacher if the situation does not improve.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Governors

The Governing Board will review this policy and make sure that it:

- Is appropriate for our Federation's context
- Is implemented fairly across the four schools in the Federation
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

The board will also make sure that the schools' uniform suppliers provide value for money, for example by re-tendering contracts at least every 5 years.

6. Monitoring arrangements

This policy will be reviewed every 3 years by the Executive Headteacher. At every review, it will be approved by the full Governing Board.

7. Links to other policies

This policy is linked to our:
